

Aliaxis announces agreement to sell its SANIT business to Roca

Brussels – June 7, 2021 – Aliaxis, a global leader in advanced piping systems, today announced the signing of a definitive agreement to sell its SANIT business to Roca.

The SANIT business delivers specialised sanitary products. It operates 3 production facilities in Germany and serves both the German and European markets. With total yearly sales of €75 million, it employs around 400 employees.

This project is subject to the usual antitrust approvals. Aliaxis will continue to operate the SANIT business until completion of the transaction, which is expected in the course of the 3rd quarter of 2021.

The financial details of this transaction will not be disclosed.

Aliaxis is a global leader in advanced piping systems for building, infrastructure, industrial and agriculture applications. The company provides communities around the world with sustainable innovative solutions for water and energy, leading the industry in a way that anticipates the rapidly evolving needs of its customers and of society. With a global workforce of 14,000+ employees, Aliaxis offers specific solutions that meet our customers' most demanding needs across the globe. Aliaxis is active through leading local brands and operating in over 40 countries, combining local solutions with global innovation and operational excellence. The company is privately owned, with its global headquarters in Brussels, Belgium.
